

IF EVER YOU'RE IN THE AREA

Bettina Furnée

10th June – 16th July 2006

Exhibition & Site Specific Artworks

'Ambiguous text-based artworks that reveal society's deepest paranoia's' (The Guardian).
First shown at firstsite in 2005, now with new site specific and video work.

Saturday 1st July (time tbc)

Lines of Approach

By using just semaphore and a relay of boats messages will be communicated between the land based Naze Tower and Roughs Tower (now the principality of 'Sealand') 8 miles out at sea. Inspired by the Towers and the local history of communication, wartime signalling and pirate radio, the event will be featured on BBC Essex (103.5FM) so if you can't make it along, listen in!
